

Accessibility Statement

MedCare Partners Health Plan of Texas is committed to making our website and digital information accessible to people with disabilities.

Our Commitment

We provide an accessible and user-friendly experience for all visitors, including people who use assistive technologies.

Accessibility Features

Our website is designed to support features such as:

- Keyboard navigation
- Screen readers
- Text resizing and zoom
- Clear headings and navigation
- Alternative text for meaningful images
- Accessible forms and controls

Need Accessibility Assistance?

If you have difficulty accessing information on our website or need information in another format, please contact us at 866-627-8901 (TTY users call 711).

Alternative Formats

Information may be available in alternative formats, such as large print or other accessible formats. Call us for assistance at 866-627-8901 (TTY users call 711).

Accessibility Feedback

If you experience an accessibility issue on our website, please let us know so we can work to address it.
